Re: Chester Hills, Inc.

Dear Director Tylutki:

As you may recall, my client, Chester Hills, Inc.,  
sold its sanitary landfill facility to Combe Fill Corp.  
on or about September 13, 1978. All appropriate rules  
 and regulations regarding said transaction were complied  
 with by the undersigned; and additionally, my client  
 surrendered its Certificate of Public Convenience and  
 Necessity along with other documents to the Board of  
 Public Utility Commissioners as required by their approval  
 of sale. Appropriate letters and documents were filed  
 with your office relative to notification of the sale.  
 My client has had absolutely nothing to do with the  
 operations of Chester Hills, Inc.; but it has been  
 received copies of inspection reports and other materials  
 from the Department for some unknown reason.

My client has written to the Department on a number of  
 occasions advising that the materials should be directed  
 to Combe Fill Corp. and not Chester Hills, Inc. Any  
 materials my client received from the Department were  
 immediately turned over to Combe Fill Corp. I would appre-  
 ciate it very much if you could be sure that all correspondence  
 to the landfill operation now owned, operated and maintained
